

Hello High School Athletic Association member,

I hope April has been kind to you! We wanted to reach out and let you know that the NCAA Eligibility Center is hosting a series of webinars. The Thursday, May 6 webinar will be geared towards high school counselors, principals, athletic directors, coaches and other high school administrators. The Thursday, May 13 webinar will be geared towards college-bound student-athletes and their families. Both webinars go over the recent [COVID-19 Automatic Waiver](#) as well as initial-eligibility requirements students must meet to study and compete at an NCAA Division I or II school. Please feel free to share these events with your colleagues and/or your students.
