

Dear Parent/Guardian:

Welcome to Estrella Foothills High School (EFHS)! Recently, our school counselors met with your 8<sup>th</sup> grade student to provide high school registration information including the process needed to register to attend EFHS. Registration for the 2024-25 school year will be done online via the QR Code below. When enrolling online, please make sure to select the link for 2024-25 and not the current school year. Also note, unless your student has an older sibling, incoming freshmen will be NEW students to our district and the Parent Account Activation Questions should be answered as indicated (“No, No, Yes”). If there is an older sibling, you will use your current ParentVue account to enroll your future freshman.

The only enrollment form to be completed on paper is the attached **Course Selection Sheet**. On the Course Selection Sheet, your student will need to select electives only (left side of sheet as directed). There is a QR code on the backside of the sheet for access to the District Course Catalog for class descriptions, if needed. School counselors will complete the Core Academic Courses section based on placement testing. Please print legibly the non-signature areas of the form so that we can properly match your student to our records. **Once complete, return the Course Selection Sheet to your student's 8<sup>th</sup> grade Homeroom Teacher before placement testing.** EFHS counselors will collect the form during testing. **Please note that your student's Course Selection Sheet will NOT be entered until registration is completed online.**

**This year's testing schedule is as follows:**

- February 5<sup>th</sup> – Estrella Mountain**
- February 6<sup>th</sup> – Westar**
- February 7<sup>th</sup> – Rainbow Valley**
